To Whom It May Concern:

I submit this letter of recommendation on behalf of Dr. Linnda Durré. Dr. Durré is a consummate professional as demonstrated through her work as an expert witness and case consultant especially in the area of child-custody litigation.

My name is James Williamson, Esq. and I have been a family law attorney licensed in the State of New York and practicing for 5 years. I graduated from the University of Columbia David A. Clarke School of Law in Washington, D.C in 2011. I am a member of the New York State Bar Association and the Westchester Black Bar Association. My main areas of practice are landlord-tenant, personal injury, criminal defense, and domestic relations law where I have assisted clients with child custody and child support cases.

I have worked on two separate family law cases with Dr. Linnda Durré, who is an exceptionally well qualified expert witness and case consultant. I find her to be highly intelligent, insightful, personable, caring, compassionate, dedicated, and perceptive. Her decades of experience as a psychotherapist aid her in her work as an expert witness.

Her innate ability to quickly establish rapport and trust with my clients in New York City without ever meeting them in person is indicative of Dr. Durré's warm heart, clarity, empathy, and her professional skills. Her directness, honesty, and laser beam ability to get to the core issues speeds the process that makes clients feel emotionally supported, guided, and relieved. She is able to give them assignments to allay their fears, get research done, and keep them focused.

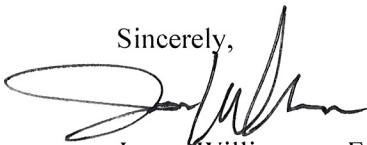

She returns phone calls and texts promptly. She is available on weekends if needed for phone conferences with me and/or my clients, and they have a great deal of admiration and respect for her and her advice.

Dr. Durré is an excellent report writer who can describe in accurate detail the dynamics, dilemmas, choices, and solutions in a case. She is thorough, fair, and offers strong recommendations, protecting children and spouses who have been battered, endangered, threatened, and/or abused.

Her CV and Expert Witness Resume are very impressive. She is well educated and well trained, with extensive experience in family issues. She has been qualified as an expert witness in nine (9) states.

I highly recommend Dr. Linnda Durré as an expert witness and case consultant in family law cases.

Sincerely,

James Williamson, Esq.
