Equestrian Biography/CV

- **1990 - Present** Have been active and have shown in hunters, jumpers, dressage and breed classes showing as an amateur up to the A/O level at AA rated shows. Have owned horses shown by professionals in hunters, jumpers and dressage from in-hand, baby-green, training levels to the upper levels of the sport. Manage all aspects of the purchase, sales, training, development and care of these horses. Horses have shown at Kentucky Horse Park, Georgia International Horse Park, Devon, Washington International, Maryland, Pennsylvania, Thermal, Georgetown, Brownland Farm, Gulfport, to name a few. Buy or breed investment horses for the hunter, jumper, dressage and eventing disciplines for the AA market.
- **1995 - Present** Breed Warmblood Sport Horses for the hunter/jumper, dressage and combined training market. Manage the breeding, care of broodmares and delivery of foals. Manage the care, development and training of foals. Prepare and present offspring for inspection and approval to breed registries. Have shown offspring on line at dressage and hunter breed shows. Foals I've bred have been sold as prospective show horses to hunter/jumper, dressage and eventing professionals and amateurs.
- **2011 - 2014** Assisted Tom McCutcheon Reining horses in developing their VirtualHorseHelp.com business. Planned, developed, produced and marketed their equine business through public relations, social media and e-commerce. Purpose of the site was to promote Tom McCutcheon in the reining industry as well as promote his training, breeding and rehab facility.
- **1992 - 2007** Owned a farm where I boarded pleasure horses, retired show horses, lay-ups and broodmares with full care, custody and control. Facility contained barn, turnout pastures, lighted arena and close proximity to the Cross Timbers Trails of Denton County.
- **1998 - 2003** Hosted several Warmblood breeding inspections at my farm for the German Oldenburg Verband and for the Rheinland-Pfalz-Saar Verband.
- **2001 - Present** American Society of Equine Appraisers, Certified Appraiser #03121
 - 2001 Certified, 2010 Senior Certified
 - USPAP Certified 2010 (Uniform Standards of Professional Appraiser Practices)
 - Advanced Principles of Valuation Course presented by the American Society of Equine Appraisers. Area of Specialty Test required by the American Qualifications Board (AQB). Served as an expert on numerous cases for both the plaintiff and defendant working on valuations, standards in the industry, behavior, breeding, boarding and showing. Have performed appraisals and served as an expert for a variety of insurance companies, including Zurich and Farmers Insurance.
- **2001 - Present** Owner of ValueMyHorse LLC: Equine appraiser, legal consultant and expert witness specializing in Sport Horses and Performance Horses for showing and breeding. I provide appraisal services for donations, insurance valuations, divorces, syndications, bank collateral, estates and sales. I also provide expertise in the horse industry from care, custody and control, breeding, showing, safety, farm and ranch consulting and general practices. I have served as an appraiser since 2001, and have expanded my practice to expert witness and consulting primarily since 2010. I am a Senior Appraiser with the American Society of Equine Appraisers and I was USPAP certified in 2010. I have been qualified as an expert.
