Dear Attorney Ostrove:

The California Board of Legal Specialization would like to recognize and celebrate your 40th anniversary as a certified legal specialist in Taxation Law.

To commemorate this important occasion, enclosed please find a 40th Anniversary program pin as well as a certificate of recognition suitable for framing.

The California Supreme Court authorized this program forty years ago to protect the public and to promote attorney competence. By your participation, you raise the bar of the profession every day.

We encourage you to publicize your status widely. The State Bar of California website at www.calbar.ca.gov already displays your certified status. We encourage you to further publicize your status by using the program logo in your materials and updating your State Bar profile to include your photograph and website. The logo can be accessed for use at no additional cost on at www.californiaspecialist.org under Resources / Advertising.

As an experienced certified specialist, we welcome your feedback about the program as well, especially at this time, when the program will be increasing its online presence for the benefit of all certified specialists and the public.

Sincerely,

Ricardo Goñi, Chair
California Board of Legal Specialization
